Melbourne Cup Trifecta Tickets

Crows Nest Rotary Club is once again producing Sets of **Trifecta** Tickets for this year. A set of tickets (2024 tickets per set) may be purchased in either of the following ways:

Option 1: The tickets are **cut, folded and stapled** ready for sale without any work on your behalf for \$600 per set.

Option 2: The tickets are **cut only**, ready to be folded by **your Club members** as a working bee for \$400 per

Ticket Set	Prize Payout	Cost	Profit
\$2 tickets	\$1,000.00	\$600 or \$400	\$2,448 or \$2,648

EITHER CHOICE MAKES A NICE PROFIT FOR YOUR CLUB

- Everyone likes a flutter on the **MELBOURNE CUP** and with each ticket having a set of **three unique 'boxed' numbers**, every ticket holder has something to cheer for on the big day
- Only **ONE** winning combination per set
- Crows Nest Rotary Club has been running this Boxed Trifecta in the Melbourne Cup for over twenty years and makes them available to other clubs to help generate funds for various club projects

They are **EASY** to **SELL**:

- You do not have to write out names and addresses and phone numbers just collect \$2 coins and hand over a ticket. Makes selling very simple. Allows multiple sales. Most members can sell 50 or more tickets very quickly **Sell early. Sell multiple sets.**
- You can increase your profit by \$200 by having a social night folding tickets at someone's home
- It is up to the winner to call you. If the winner does not come forward then the club stands to make an additional profit. The winner **MUST** come forward within 90 days to collect
- **To order these income-producing tickets**, your Club or Organisation is asked to complete the ORDER FORM available on line at www.crowsnestrotary.org.au/page/melbourne-cup-trifecta, or use the attached form.
